## ANNOUNCEMENTS

### For Congress

Hon. William T. Fowler

We are authorized to announce  
Hon. William T. Fowler, of Chris-  
tian County, as Republican candi-  
date for Congress from the Second  
Congressional District, subject to  
the action of the voters at the gen-  
eral election to be held Tuesday,  
November 7, 1916.

## HURRAH! RINGLING DAY ALMOST HERE

Big Circus and Great Spec-  
tacle Occupy Five Trains  
Crammed With  
Wonders

The big event for which the young-  
sters and grownups have been im-  
patiently waiting is drawing near  
for on Saturday, Sept. 30 Ringling  
Brothers circus is to exhibit afternoon  
and night in Hopkinsville. Expec-  
tancy never ran so high before and it  
is likely that this district will send a  
large delegation to feed the elephants,  
Unusual interest centers around the  
gigantic spectacle, "Cinderella," with  
which the famous showmen are this  
season opening their wonderful main  
tent program. "Cinderella" is prob-  
ably the best loved of all fairy tales  
and to see it produced with more  
than 1000 persons, hundreds of dan-  
cing girls and glorious pageants, in  
deed gives promise of making "child-  
hood's golden dreams come true." In  
the same great tent, will come the  
marvelous circus numbers in which  
400 men and women performers,  
scores of trained animals and a gal-  
axy of special features are introduced.  
The majority of the acts are entirely  
new to America, the Ringling Bros.  
having secured the pick of those Eu-  
ropean performers who have been  
obliged to seek engagements in this  
country because of the war. The all-  
new street parade will take place  
show day morning.

While talking preparedness, why  
not make it one of decency, respect-  
ability, and a better personal life?

## PROMINENT KENTUCKY WOMAN SPEAKS

Slaughterville, Ky.—"I wish to tell you  
of the benefit Dr. Pierce's medicines have  
been to us. Several members of my  
family have taken either 'Golden Medical  
Discovery' or 'Favorite Prescription' and  
always with the very best of results.  
Three years ago my husband had a very  
severe skin trouble. He took six bottles  
of 'Golden Medical Discovery' which he  
procured from a local druggist, and was  
entirely cured.

"Two years ago I had nervous trouble,  
heart affections and severe pains in my  
head. I took two bottles of 'Favorite  
Prescription' and was relieved. I have  
taken it several times in the last few  
years and always with perfect results.  
I can recommend it to anyone as being  
all it is represented to be."—Mrs. S. P.  
Collins, L. Box 112.

### THAT WEAK BACK

Accompanied by pain here and there—  
extreme nervousness—sleeplessness—may-  
be faint spells, chills or spasms—all are  
signals of distress for a woman. She may  
be growing from girlhood into womanhood  
—passing from womanhood to mother-  
hood—or later suffering from that change  
into middle life which leaves so many  
wrecks of women. At any or all of these  
periods of a woman's life she should take  
a tonic and nerve prescriber for just  
such cases by a physician of vast experi-  
ence in the diseases of women.

Dr. Pierce's Favorite Prescription has  
successfully treated more cases in the past  
50 years than any other known remedy.  
It can now be had in sugar-coated tablet  
form as well as in the liquid. Sold by  
medicine dealers or trial box by mail on  
receipt of 50 cents in stamps.

Dr. Pierce's Pleasant Pellets regulate  
stomach, liver and bowels—sugar-coated,  
tiny granules.

## DIPPY DUK

719 FREUND-WAGENER  
NATIONAL CARTOON SERVICE, CINCINNATI, O.

WHY—BROTHER, ARE YOU  
GOING TO SMOKE ANOTHER  
CIGARETTE??

WHY?

THEY ARE BAD FOR  
YOU, AND YOU  
DON'T KNOW  
WHAT'S IN  
THEM.

OH, YES  
I DO.

TEN CENTS, WHICH THEY  
COST, YOU GET, NICOTINE,  
VALERINE, POSSIBLY A  
LITTLE MORPHINE,  
AND A QUANTITY OF  
CARBON.

GOOD GRACIOUS!!  
DO YOU GET ALL  
THAT??

OH, WOMAN,  
THAT'S A  
REAL BARGAIN  
ISN'T IT??

Everybody's Sentimental.

The truth is that we are all senti-  
mental at heart, whatever our culture.  
Even though we appreciate Brahms,  
shall we not find some pleasure in the  
repertoire of the hand organ, and  
though we admire Botticelli, shall we  
utterly condemn Dabry and Jean?  
There are moods in which Jean Inge-  
low and Mrs. Hemans are not mar-  
velous. The thousands still weep over  
the death of Little Nell, though the  
critics sneer.—Robert M. Gay, in the  
Atlantic.

Piles Cured in 6 to 14 Days.

Your druggist will refund money if PAZO  
OINTMENT fails to cure any case of Itching,  
Bleeding or Protruding Piles in 6 to 14 days.  
The first application gives Ease and Rest. See.

There is nothing that will give  
any more pleasure for so long a  
time for so little money as the  
four monthly magazines we send  
our subscribers. Are you getting  
these magazines? If not, write  
or telephone us.

The condition of Mrs. J. W. Rad-  
gars shows some improvement.

J. F. DeVolder remains about the  
same.

A number of local people attended  
the revival at Sutherland School  
House Wednesday night.

Joe Brown and daughter, Mrs.  
Preston Bunch, are visiting rela-  
tives at Rochester for a few days.

Grundy Ray is on the sick list.

Buck up, trade liberally, and keep  
your money in circulation. We are  
gunning for our share.

Carrying a rabbit's foot in your  
pocket may bring you good luck, but  
perseverance and hard work gets  
the most.

When all other blandishments fail,  
you can usually keep your husband  
in leash by taking in washing for his  
support.

## Originally Latin Phrase.

The origin of the phrase: "All my  
eye, Betty Martin" comes of mispro-  
nunciation of the Latin "O mibi, beate  
Martine," which is literally, "O blessed  
Martin (help) me" and is found in  
several litanyes of the middle ages.  
Now it is slang for a lie. There are  
several such Latin phrases which have  
been degraded or transmuted. Hocus  
pocus is derived from the solemn "hoc  
est corpus," and sycery is a corrup-  
tion of certiorari.

## Origin of the Hurdy-Gurdy.

The early type of hurdy-gurdy origi-  
nated in Germany during the ninth  
century, and under the name of bauren-  
leyer (peasant's lyre?) attained great  
popularity throughout Europe, falling  
into a decline only at the beginning of  
the last century. Even today a slight-  
ly modernized type of this instrument  
may be seen upon the streets of the  
smaller towns of Savoy.

## To Have Bright, Clear Light.

A smoking lamp or one with an un-  
pleasant odor is usually caused by  
dirt. Soaking the wick and occasion-  
ally the burner in strong vinegar for  
an hour and then rinsing it in fresh  
vinegar and drying thoroughly will  
keep these parts clean.

## WOMEN SHRINK

### FROM MODESTY

Bear Grievous Ailments  
Rather Than Make Con-  
ditions Known

The subjects of complaints pecu-  
liar to women is a delicate one, but  
it is a plain duty to let these suffer-  
ers know that most of the derange-  
ments from which they suffer are due  
principally to nervous debility.

It is not uncommon to hear a  
woman say: "I am all run down, so  
nervous and weak." She is suffer-  
ing from the modern malady—nerv-  
ousness. Many suffering women,  
influenced by shrinking modesty,  
have borne this grievous condition  
without complaint rather than make  
a personal appeal.

Such women, and they are legion  
in every community, suffer from  
headaches, backaches, loss of appe-  
tite, and sleeplessness. Their spirits  
are not the normally happy ones of  
their more fortunate sisters. Often,  
too, there are spells of nausea, weak-  
ness or even fainting that make them  
feel insecure and to wonder when  
they will be embarrassed or even in  
danger, because of their condition.

Medical authorities say that the  
nerves regulate and govern absolute-  
ly every process of the body. Sever-  
the nerves leading to the eye and not  
only would you be unable to move  
the eye but your sight would be gone  
forever. Your nerves regulate the  
beating of your heart, one set mak-  
ing it beat and another keeping it  
from racing too fast.

To get the seat of most troubles  
the nerves must be strengthened.  
Nearly all functional weaknesses and  
disorders can be directly traced to  
weak nerves and depleted vitality.

Tanlac, the ideal reconstructive  
tonic, was designed to strengthen the  
nervous system. It has proven in-  
valuable to both men and women in  
cases of stomach, liver and kidney  
troubles and catarrhal affections of  
the mucous membranes. Tanlac  
builds up the tissues, promotes di-  
gestion, and proper assimilation of  
food, utilizes the blood and brings  
back health and color to the cheeks  
and real sparkle to the eyes.

Tanlac may be obtained in the fol-  
lowing nearby towns: Earlington,  
Geo. King & Sons; Madisonville,  
Gardiner & Bowmer; Mortons Gap,  
B. T. Robinson; Nortonville, City  
Drug Store; White Plains, Dr. Bai-  
ley; Mannington, Walter McIntosh;  
St. Charles, George King & Sons;  
Carbondale, G. A. Woodruff; Daw-  
son Springs, Coleman & Wallace;  
Crofton, Brasher & Croft; R. F. D.  
Crofton, Rance & McIntosh; Prince-  
ton, Wylie & Walker.

## Couldn't Shoot Straight.

Little Ned had been a bad boy,  
swearing in the presence of the preach-  
er. His mother had corrected him, tell-  
ing him that the lightning would strike  
him if he was profane. Young Amer-  
ica looked solemn, then his face bright-  
ened as he replied: "I say, mamma, I  
guess he meant that bolt for me which  
struck the church next door; but the  
angels can't shoot straight."

## Wonderful Insect World.

The insect world represents an un-  
limited field of life and activity. The  
number of insect species is greater by  
far than of the species of all other liv-  
ing creatures combined. Although  
more than 300,000 have been described,  
probably twice that number remain to  
be examined. Virtually all living an-  
imals, as well as most plants, supply  
food for these innumerable hordes.

## First Hand.

Little Bobbie's interest in his origin  
was equalled only by his impatience  
to be grown up. One day he dashed  
into the house with his eyes shining.  
"Oh, mother," he said, "I saw God  
up in the sky an' he has blue eyes.  
I said, 'Thank you, Mr. God, for mak-  
ing me,' an' he said, 'That's all right,  
Bobbie, that's all right! You wait an'  
some day I'll make you into a big, big  
man!'"

## Where Wisdom Lies.

I may wisdom is gathered on foot,  
along country roads. Collect your ideas  
where you can: from alley, boulevard,  
office, lecture hall, theater, dinner ta-  
ble, library, wharf, picture gallery,  
street car, opera house, curbstone, or  
courtroom; but test them on the road.  
Confronted with the realities of soil  
and salt water and the character  
shaped by these, they will look vastly  
less momentous or vastly more so.—  
Seymour Deming in the Atlantic.
